

## **Around Waturegama**

A stone throw away from Colombo yet an area of contrasting terrain, this was a main staging area of King Valagamba. Ruins, complex cave systems, ancient temples, waterfalls & rugged granite rock faces make this an ideal launching pad for caving, rock climbing, bouldering, canyoneering, kayaking, mountain biking & trekking.

This area is the tallest in the greater Colombo region, where once-upon-a-time the sacred tooth relic was kept in hiding.

**Temperature:** Around 32 degrees.

**Conditions:** Rocky & muddy - depending on where.

**Elevation:** Between 300 to 1600Feet.

**Difficulty level:** Soft Adventure.

**Group size:** Minimum 2 - maximum 20

### **Program:**

Situated around 35Km's away from Colombo [about an hour] & with the exception of kayaking [need to confirm prior - water levels depending] you have a choice of 1 or more activities. Scattered within an area of 15Km, you can try out most activities from morning to around 5.00pm. we then head for a vantage rock where camp will be made. Dinner & overnight stay at the site. We leave after a leisurely breakfast.
